Hey, friend!

Thank you for purchasing this book and taking a glimpse into a normal day for these incredible Boston Terrier pups! Please go on Amazon and give us a positive rating and review. It helps the book reach more people. Check out the back of this book for other books I have written.

Dozer and Daisy are so full of life and love! Even though they can be a handful at times, they have been an amazing blessing to us. Dogs make us feel seen and loved in a special way. I believe that God put that love into them. That same God loves you too.
